Basketball Tournament Rules

- This will be a double elimination style tournament (unless another format is determined to be better based on the number of teams participating)
- Each game will be played on a half court with one basket.
- A coin toss will determine who receives the ball first.
- Every successful shot inside the arc is awarded one point, while every successful shot behind the arc is awarded two points.
- The games will be a single period of 8-10 minutes. The winner will be the first team to score 21 points or the team with the highest score at the end of the time period. A tie in regulation leads to an untimed overtime period, which is won when one team achieves a 2 point advantage.
- Game play starts with the defensive team exchanging the ball with the offensive team behind the arc. This exchange is also used to restart the game from any dead ball situation. If a foul is committed that results in the non-fouling team retaining possession the non-fouling team will receive the exchange.
- If the defense gains possession of the ball within the arc, by a steal, a block or a rebound, the team must move the ball behind the arc before being allowed to take a shot.
- After a made goal or free throw play restarts with a player from the non-scoring team taking the ball directly under the basket and then dribbling or passing it to a point behind the arc. The defense is not allowed to play for the ball inside the block/charge semi-circle under the basket.
- A substitution can only occur during a dead ball. The team captain must inform the referee of the substitution before play can resume. Illegal substitutions result in one free throw to opposing team.
- Each team is allowed one timeout (The official may still stop the game in case of player injury or other dangerous situations).
- Individual personal foul counts are not kept. In other words, players cannot be disqualified on the basis of personal fouls. However, a player who commits two unsportsmanlike, or flagrant fouls is disqualified. (Referees determine flagrant fouls)
- A Christlike attitude is the most important part of this tournament. Poor attitudes from players and/or observers will not be tolerated and may result in forfeit of the game. (Proverbs 25:28)

Volleyball Tournament Rules

- This will be a double elimination style tournament (unless another format is determined to be better based on the number of teams participating)
- There is a maximum of 3 hits per side
- Points are made on every serve for winning team of rally (rally-point scoring).
- A player may not hit the ball twice in succession. (A block is not considered a hit.)
- The ball may be played off the net during a volley and on a serve.
- A player's person may not hit the net while attacking the ball (small incidental contact will not counted).
- A ball hitting a boundary line is in bounds.
- It is legal to contact the ball with any part of a player's body.
- It is illegal to catch, hold or throw the ball (carrying-rule).
- A player cannot block or spike a serve.
- All players must rotate after change of possessions.
- After the serve, front-line players may switch positions at the net.
- Each game will be played to 21. You must win by 2, or be the first team to reach 25 points.
- To begin the game, a "volley for serve" will determine who serves first.
- Individuals may only play for one team. Individuals are not allowed to switch teams or sub for a different team.
- Selections of the initial tournament bracket and match ups will be done at random.
- A Christlike attitude is the most important part of this tournament. Poor attitudes from players or observers will not be tolerated and result in a forfeit of the game. (Proverbs 25:28)

Music Competition Information

- There will be separate competitions for junior and senior campers.
- We will have two categories in the vocal competition – solos and groups (of any size). We will have an instrumental competition as well.
- Entries are limited to 3 per category per church.
- Please limit all music selections to around 3 minutes.
- Your church's group leader/pastor should pre-approve song choices to ensure they are conservative Christian songs appropriate for a church service.
- The purpose of this competition is to encourage young people to serve the Lord with the talents He has given them. Singers should strive to improve in every area which affects their ability to honor God, which is why they will be judged and critiqued. All critiques will be constructional.
- Each soloist/group/musician will be judged by physical appearance/attire, blend, platform presence, technique, arrangement, tone quality, audience contact, and enunciation.
- Sunday dress is appropriate for the contest. Young men should wear a collared shirt with a tie, while young ladies should wear a nice dress or skirt and top.
- We ask that you not use soundtracks and that you not play an instrument while you sing. If you do not have your own accompanist, please send your music selections to the camp director at tim.russell@victorynixa.com and we will have one of our accompanists play for you.

Preaching Competition Information

- This preaching competition is reserved for male campers only.
- Entries are limited to 3 student preachers per church.
- Young men should prepare 1 sermon approximately 5-8 minutes in length.
- Each preacher will be judged by their physical appearance/attire, platform presence, eye contact, enunciation, content (interpretation of the passage, application, illustration), and ability to stay within the time constraints.
- The young men are encouraged to seek advice from their pastor or youth pastor while constructing their sermon. However, the young men are expected to create their own original outline/sermon.
- Sunday dress is appropriate for the contest. Men should wear a dress shirt and tie. Sports coat/suit jacket is optional.
